CHINA RISING

INVESTMENT CONFERENCE

The global market meltdown has created opportunities to invest in outstanding companies in what continues to be the fastest growing major economy in the world at historically unprecedented valuations. Come meet with the senior management of a wide range of growth companies from China in sectors including consumer staples, agriculture, pharmaceuticals, infrastructure, information technology, advanced materials, capital goods, and alternative energy. Hear the top picks by the best informed analysts currently following Chinese equities. And get in-depth advice on successful China investing strategies from leading public and private equity investors active in China.

- 30 companies, from microcap to large cap
- 250 fund managers and investors
- Presentations and one-on-one meetings
- Analyst roundtable with top picks for 2009
